**Letter of Recommendation**

Pat Davis  
540 Adolphus St  
Forked River, NJ 08731

To Whom It May Concern,

I've had the pleasure of coaching Pat Davis over the last five years since he was in 8<sup>th</sup> grade. He has attended eight of our football camps, and multiple private lessons with me. Over this time I've been able to get to know more about Pat the student, the athlete and the person. Pat has worked some difficult summer jobs with long hours and still finds time to manage his academic, athletic, family and social affairs. I've become friendly with him and his family over the years, and remain in constant contact throughout his college recruitment.

Pat is on our exclusive 'Hot Prospect List' which is comprised of less than thirty students of over 1,000 students that we coached this past season. In short, he is a very gifted football kicking athlete and we recognize his ability being in the top 90% of his peers. He has won multiple camp competitions, besting 40+ participants each time.

My staff and I highly respect Pat because he always puts in his best effort, outworks his competition and does whatever it takes to succeed with integrity. While I know he may not have the highest standardized test scores, his emotional intelligence and ability to connect with others is superb. He has the people skills needed to succeed in 'the real world' both on and off the field. He is a student, player & person you can rely on to get the job done.

Without hesitation, I would recommend Pat to any admissions department, athletics department or employer looking to bring him aboard. He will be a tremendous addition to your school, team or organization.

Please call me at **619-564-1333** or e-mail **brent@kickingworld.com** if I can be of further assistance.

Sincerely,
